2020 USACE ST. LOUIS SMALL BUSINESS INDUSTRY DAY WEDNESDAY, MARCH 04 8:00 - 4:00

The US Army of Corps of Engineers (USACE) St. Louis, is excited to present the 2020 Small Business Opportunities Open House event on Wednesday, March 04, 2020, to be held at the Orlando Event Center, 2050 Dorsett Village Plaza, Maryland Heights, MO 63043 from 8:00 a.m. to 4:00 p.m.

The event will provide industry a forum to learn about FY20 requirements in St Louis Corps District and in and surrounding areas. This is also an opportunity to network with Government representatives not only from Corps Districts, but also other Government agencies. Contractors will have a opportunity to attend breakout sessions that will discuss such topics as RMS, putting your best proposal forward, building an effective capability statement, post award administration, and more. In addition, individuals will seeking employment with the Corps of Engineers will have the opportunity to speak with hiring officials

The event will also include in the afternoon one-on-one sessions with St. Louis USACE partners, giving Industry an opportunity to share capabilities with technical representatives. In addition, there will be a opportunity for Industry to sign up for roundtables with other Corps Districts and other Government agencies attending the event.

Registration for one-on-ones, roundtables, and breakout sessions are available at <https://www.eventbrite.com/e/2020-corps-of-engineers-business-opportunity-open-house-booh-tickets-89808968041> or at <https://www.mvs.usace.army.mil/Business-With-Us/Small-Business/>

Free parking is available at the event center surrounding parking lots. Looking forward to seeing you on the 4th!

MAJ John Miller
Deputy, Commander
314-331-8014
